## How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

- 1.To make "SIDE" easy to sew, prepare the shape with an iron first
- 2.Fold the center fold line of "SIDE" and shape it with an iron so that it is easy to sew
- 3.Sew the sides of "SIDE" and break the seam allowance with an iron
- 4.Fold the center line of "TOP" with iron
- 5.Sew the sandwich "TOP" between "SIDE"
- 6.Finally finish the ironing lightly on the folding line
