How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

1. Sew the "brim" and shape them with an iron
2. fold all folding positions of the "side"
3. Sew the "side" and crush the seam allowance by iron
4. Fold it inward according to the "top" folding line of the "side" and shape it with an iron
5. Fold the "top" fold line with an iron and sew it to the "side"
6. Sew the "side" while sandwiching in the "brim"

seam allowance 1/2in.
