### How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

- 1.Sew the "brim" and shape them with an iron
- 2.fold all folding positions of the "side"
- 3.Sew the "side" and crush the seam allowance by iron
- 4.Fold it inward according to the "top" folding line of the "side" and shape
- 5.Fold the "top" fold line with an iron and sew it to the "side"
- 6.Sew the "side" while sandwiching in the "brim"

/2in.
