How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

1. iron on the interfacing (heavy weight) to "top" "side" "brim"
2. "side" is sew up and loop
3. "top" and "side" sew pieces
4. "brim" is sew up and loop
- The surface and the back are same.
5. two "brims" are sewn up by a dotted line.
6. In a "brim", bias (A wire is put in.)
7. "side" "brim" is sewn up.
8. grommet is installed in the grommet location.
9. to pass a string through a hole.
